Since 1984, the Florida Storytelling Association has hosted a premier storytelling event. Over the years, more and more people have come for this special weekend of learning, listening and sharing.

Now, the 34th annual event is in the works for January 24-27, 2019. With a roster of talented storytellers, the Florida Storytelling Association will offer a weekend full of storytelling concerts, workshops, youthful voices, camaraderie and more. We've partnered with Lakeside Inn, the Mount Dora Chamber of Commerce, and Visit Mount Dora, Inc to promote the event and ensure an even larger crowd.

Storytelling is an ancient art and stories have connected people around the globe for centuries. Stories promote literacy, heal broken hearts, express important values and impart history from generation to generation. Stories make us laugh, cry, think and view the world from a new perspective. Adults, children, teens and tweens .... storytelling is for everyone!
